Dear Mr. Garner:

When we talked recently, you made a suggestion about a leave of absence and being carried on the payroll for some appropriate period. Would you elaborate on this idea? At the time of our discussion I was not interested in any such possibility; however, at this point, I believe this information should be at hand before I arrive at a final decision.

Respectfully yours,

A handwritten signature in dark ink, appearing to read "J. P. Harris". The signature is written in a cursive style with a large, looping initial "J" and a long, sweeping underline that extends to the right.
